

career to serving and protecting the people of Marinette County and Northeast Wisconsin. In 1984, Sheriff Sauve began his career as a Deputy at the Marinette County Sheriff's Office and gained numerous experiences that helped him throughout his 12 years as Sheriff. Over the years, Sheriff Sauve was able to witness the incredible evolution and growth in the Sheriff's Office, specifically in DNA matching technology that resulted in the resolution of a 40-year-old unsolved double homicide case. I commend Sheriff Sauve for his years of selfless service and commitment to Marinette County.

During his nearly 40 years in law enforcement, Sheriff Sauve has proven himself to be a true leader in the County. Sheriff Sauve has taken part in the law enforcement response to many of the most remembered cases that Marinette County has witnessed. Sheriff Sauve is leaving behind a notable legacy that will be admired by generations of officers for years to come. After retirement, Sheriff Sauve plans to spend time with his grandchildren and will enjoy hunting and fishing at his cabin, and I am confident that he will continue to benefit the Northeast Wisconsin community.

Mr. Speaker, today the people of Northeast Wisconsin thank Sheriff Jerry Sauve for his extraordinary devotion to his community. Sheriff Sauve's dedication and selfless service to Marinette County is deserving of the highest degree of recognition and honor. I wish Sheriff Sauve and his family all the best in retirement.

REMEMBERING ANNIVERSARY OF "BLACK JANUARY" IN AZER- BAIJAN

HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 24, 2023

Mr. COHEN. Mr. Speaker, I rise today to mark the 33rd anniversary of the "Black January" killings in Azerbaijan.

On the night of January 20, 1990, approximately 26,000 Soviet troops stormed Azerbaijan's capital city of Baku in tanks and armored vehicles. The Soviet military bulldozed and open fired on innocent Azerbaijanis and peaceful protestors, including women and children. The attack resulted in 147 people killed, around 800 injured, 841 arrested, and 5 missing. I offer my thoughts and prayers to the families of those who gave their lives for the independence of Azerbaijan.

Despite these merciless acts, the Azerbaijani people continued to fight for their freedom and became independent in 1991. The United States was one of the first countries to recognize Azerbaijan's independence and fully established diplomatic relations on February 28, 1992.

As the co-chairman of the Congressional Azerbaijan Caucus, I recognize the sacrifices of the Azerbaijani people in their steps toward a free-market economy and encourage a recommitment to the democratic values for which many Azerbaijanis sacrificed their lives.

CELEBRATING THE FIFTIETH ANNIVERSARY OF DEGRAY LAKE

HON. BRUCE WESTERMAN

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 24, 2023

Mr. WESTERMAN. Mr. Speaker, I rise today to celebrate the Fiftieth Anniversary of the creation of DeGray Lake. The 13,400-acre DeGray Lake was created when the U.S. Army Corps of Engineers (USACE) built DeGray Dam on the Caddo River for the purpose of flood control, electricity generation, and drinking water supply for the city of Arkadelphia.

DeGray Lake is vital in the economy of Southwest Arkansas. Thanks to the cooperation of USACE and the Arkansas Department of Parks and Tourism, DeGray Lake Resort State Park, is responsible for more than \$36 million in economic activity and hundreds of jobs related to tourism in the surrounding area. DeGray Lake provides more than just economic and infrastructure benefits to the local populace, however. The lake also provides recreational opportunities such as swimming, hiking trails, camping, golfing, and horseback riding which are enjoyed by many Arkansans. And as we all know, the more time the public spends out in nature, the more we realize how critical it is to be good stewards of conserving our natural resources and the beauty of places like DeGray Lake.

Mr. Speaker, I thank the U.S. Army Corps of Engineers for building DeGray Lake to serve the people of Southwest Arkansas and the Arkansas Department of Parks and Tourism for its work in helping preserve DeGray Lake.

OPPOSING THE UNCONSTITUTIONAL HORSERACING INTEGRITY AND SAFETY AUTHORITY

HON. LANCE GOODEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 24, 2023

Mr. GOODEN of Texas. Mr. Speaker, I rise today in opposition to the unconstitutional Horseracing Integrity and Safety Authority (HISA). During the 117th Congress, I filed an amendment to the omnibus spending bill to strip language from the bill that had been intended to "fix" the Horseracing Integrity and Safety Act, which was found unconstitutional by the Fifth Circuit Court of Appeals on November 18, 2022, because Congress had unlawfully delegated its lawmaking power to a private corporation called the "Authority". The Appeals Court said the Authority needed more oversight from the Federal Trade Commission (FTC), but the language included in the omnibus had been hastily put together and failed to address the underlying issue raised by the Appeals Court. The so-called "fix" still did not allow the FTC to make policy decisions. The FTC still may only reject rules proposed by the Authority if they are inconsistent with the Act, but the Act is written so broadly that no rule will ever be rejected. After the rules have gone into effect, the FTC may now issue its own rules, but it still may do so only to make them consistent with the Act. It cannot impose its own policy decisions on the Authority's rules. Unfortunately, my amendment did not receive a vote in this era of governing by omnibus, but I will be working this Congress to pass legislation through regular order that will fix the constitutional problems with HISA.
